

## Overview of Sefton Bus Network Review, 2019

Proposed changes are to take effect on 1<sup>st</sup> September 2019 unless otherwise stated. If your service is not listed in the table below, it has not been considered as part of this review.

- Current links and frequencies maintained on the majority of daytime and evening services
- Service 47 will continue to operate via Ince Blundell as it currently does. No further service changes are planned for 2019 though the performance of the service will be reviewed again in January 2020.
- Services 44 and 54 have route amendments to improve reliability
- Service 15A will now operate between Birkdale and Southport Hospital, via Southport Town Centre, Cemetery Road, Walnut Street and Folkestone Road
- Service 46A is withdrawn. Frequency of service 46 is increased to every 20 minutes, Monday to Saturday daytime
- New service 32A is introduced to offer a peak service for South and West Maghull to Maghull Station and Westway Square. Service 32/33 hours extended to run of an evening and Sunday
- Peak service 34/34A withdrawn due to low usage following the opening of Maghull North station
- Service 144 to operate between Bootle and Pendle Drive only, to improve reliability
